

# Fact Sheet

## Bosch in the United Kingdom and Ireland

In the UK, Bosch has been present since 1898, when Robert Bosch opened the company's first office outside Germany. Every business sector of Bosch has a presence in the UK. The company employs around 4,500 associates at approximately 40 sites in the UK. In 2020, Bosch UK generated revenues of 2.9 billion pounds sterling (over 3.25 billion euros). The UK is Bosch's largest European market after Germany and the fourth worldwide.

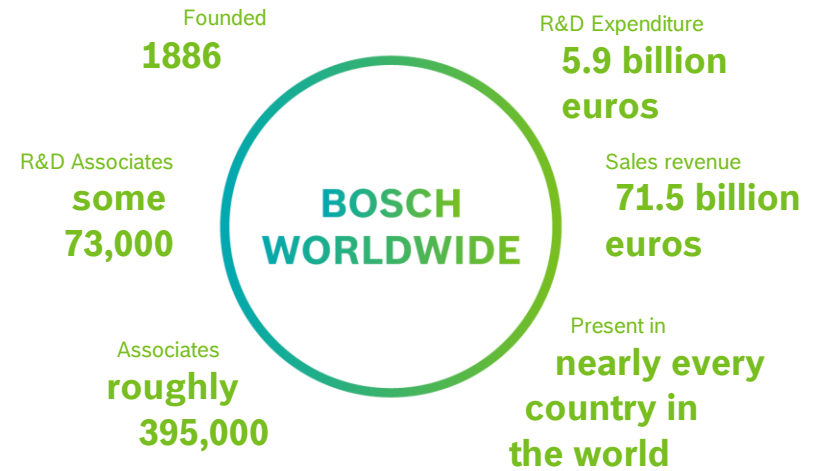

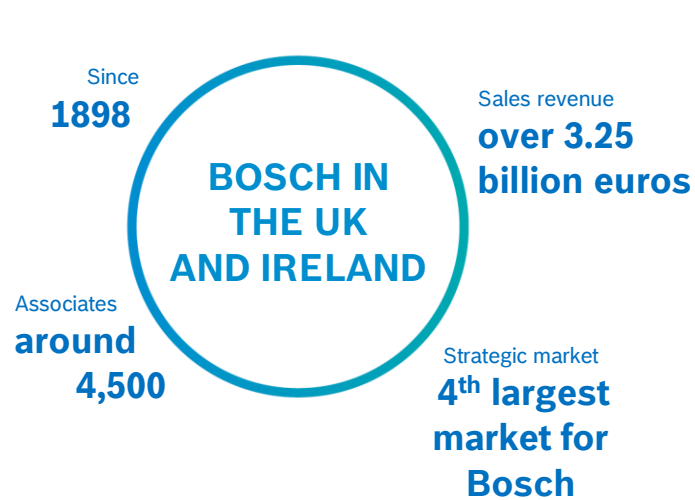

The Bosch Group is a leading global supplier of technology and services. Bosch offers innovative solutions for smart homes, smart cities, connected mobility, and connected manufacturing. The Bosch Group's strategic objective is to deliver innovations for a connected life. In short, Bosch creates technology that is "Invented for life."
